This includes campers who are quarantined from camp due to a COVID-19 exposure or a positive COVID-19 test, and provide written certification of the same (from a Healthcare Provider). This also includes campers who exhibit COVID-19 symptoms and have a Doctor's note confirming these symptoms. In any of these scenarios, we will offer a 50 percent refund for the missed days (starting on day 5), minus the 5% deposit fee and any credit card processing fees.

If camp is forced to close due to the county or state authorities at any point after the summer session has begun on June 13, 2022, no refunds shall be offered by The Summer Art Academy for any period(s) of closure. Under these circumstances, The Summer Art Academy will take whatever reasonable steps we can to attempt to reopen camp as soon as practicable.

TRAVELGUIDELINES-

Currently, The Los Angeles County Department of Public Health (LACDPH) travel guideline requires a 5 day quarantine after travel for all non vaccinated travelers who leave the state of California. This applies for both foreign and domestic travel regardless of method of travel . *However, this might change by the time camp runs.* Vaccinated travelers are not required to quarantine upon return to California unless they become symptomatic. The Summer Art Academy will monitor the LA County of Public Health website and follow their travel rules and guidelines.

On May 1st we will email all families and let them know the rules for travel and quarantine according to our county and state. If you enroll in camp and purchase a week of camp during a time you have to quarantine, we will refund you minus 5% or over a full credit towards another week (if we have room).

COVID-19 PANDEMIC PLAN

COVID-19 is with us for the foreseeable future and The Summer Art Academy's reopening plan is in agreement with public health experts. We have based our plan on recommendations from the California Department of Public Health, the Los Angeles County Department of Public Health, the American Camp Association, and the CDC. This plan requires the FULL cooperation of our Summer Art Academy families. When your child is not in camp, we ask that you continue to make responsible choices.

THE SUMMER ART ACADEMY'S COVID-19 PREVENTION PROCEDURES & POLICIES

2. Mask Wearing for all campers, staff members and parents (when dropping off/ picking up). **Please send your child to camp wearing a mask and please have an extra 1-2 masks in their lunchbox or backpack each week. We will also provide opportunities and areas for children to take "fresh air breaks" safely outside. Additionally, when campers are with their own pods outside, masking will remain optional as per the current county guidelines.*
3. Physical Distance during both indoor and outdoor activities as much as possible. Signage throughout campus in order to reinforce physical distancing.
4. Extra cleaning and sanitizing daily on high touch areas. Staff to ensure extra deep cleaning throughout the day, and each night. Campers spend a portion of their days outside in fresh air.

5. Daily health screenings for every camper and staff members. Daily Temperature checks.
6. Prompt identification and isolation of sick individuals and protocols for contact tracing.
7. Employee training & ongoing communications.
8. Water Bottles - Please send your child to camp with a large refillable water bottle. If they need a refill, an adult will help them do that.

ILLNESS

Please do not send your child to camp should they show any signs of illness. Please make sure to take your child's temperature before arriving each day at camp and fill in our daily health screening. If a child is sick or experiencing symptoms at camp, we will call you immediately. It is very important that the camper be picked up as soon as possible.

VACCINATION STATUS-

People who are fully vaccinated for Covid-19 are exempt from requirements to isolate following travel, exposure, or close contact unless they are displaying symptoms of Covid-19. Fully vaccinated is defined as 2 weeks after having received 2 doses of Pfizer or Moderna Covid-19 Vaccine or one dose of Johnson & Johnson Covid-19 Vaccine.
